

GDP-100

The **GDP-100** Grand Piano combines style and practicality to great effect; a beautiful polished ebony finish instrument combines natural touch and superior sounds at a size less imposing than the full grand, making the GDP-100 Grand Piano a quality instrument offered at a breakthrough price.

GDP-200

Combining stunning looks with remarkable sound and playability, the **GDP-200** Digital Ensemble Grand Piano is a premium quality instrument offered at a great price. It features a beautiful polished ebony cabinet, along with realistic sounds and weighted hammer action keys, making it near indistinguishable from any acoustic.

GDP-300

The **GDP-300** Digital Grand Piano is a stylish and practical premium digital grand piano. With satisfying touch and playability, realistic sounds and a variety of practice features, the Grand500 offers the elegance of a traditional grand and the features of an advanced digital piano.

GDP-400

The **GDP-400** Digital Grand Piano is a stylish and advanced digital grand piano. With satisfying touch and playability, touch screen display, touch sensitive pads and a wide variety of sounds, the GDP-400 offers the elegance of a traditional grand and the features of a modern advanced digital piano. With a large number of voices and styles, and 128 polyphony, this stunning piano sounds as good as it looks.
