

**DP-70U**

The **DP-70U** digital piano is a fantastic purchase for any beginner wanting to progress on to an instrument with weighted hammer action style keys, or for a child working through exams. This Gear4music flagship model offers great voices along with a number of functions and effects to bring a sophisticated piano at a cheap price!

**DP-90U**

The **DP-90U** digital piano by Gear4music is an 88 note hammer action instrument with an authentic looking upright body in a polished ebony finish. Featuring a K8 upgraded hammer action keybed with 256 note polyphony, and 40 realistic voices, this piano feels and sounds fantastic. Two headphone outputs make it suitable for home learning and the microphone input and stereo jack output equips the instrument for live performance too.
