## Technical Team Testimonials

**Q: WHAT DOES YOUR TYPICAL DAY AT WORK LOOK LIKE?**

Every day starts by checking in with the Squads, reading through messages in the channels on Slack and checking emails. Every morning I have daily Stand Up meetings with the 2 Squads I work with to get an update on the work in the current sprint, discuss any blockers and review progress for upcoming milestones and / or deployments.

Every day I also attend a daily Stand Up meeting which is attended by the Director of E-Commerce, Head of E-Commerce Product, Head of Delivery, Delivery Managers and the Head of Analysis & Design.

Throughout the day I may also have other Sprint ceremonies to attend such as Sprint Planning meetings, Sprint Retrospectives, Sprint kick-off, Refinement sessions or Milestone review meetings.

I am also responsible for completing end of week reports on each of the Projects in progress with the Squads that I'm the Delivery Manager.

**Q: WHAT IS YOUR FAVOURITE PART OF YOUR JOB ROLE?**

I really enjoy working with my immediate team of Delivery Managers and with the Squads. Each of the Squads has a Team Lead, Business Analyst and I enjoy working closely with them to plan out the Sprint and to track progress with the Squads to deliver the Project. It's a very rewarding role.

**Q: WHAT DO YOU ENJOY THE MOST ABOUT WORKING AT GEAR4MUSIC?**

Definitely the people and the culture here at Gear4Music. As an employer they are very flexible, supportive and accommodating. I feel that they genuinely care about my wellbeing and the wellbeing of all their employees. There are regular lunch and learn sessions, Wellbeing champions for each team, regular Social events planned throughout the year and lots of social channels to join on slack. It really is a great place to work!
